Protecting our communities

Dear Parents/Guardians

To understand how we, the West Leicester police team can improve our service to the community and to respond to future needs we are asking residents to complete a confidence survey. To get a balanced view from all sections of our communities we need your help in completing these surveys. The survey is open for residents to complete during the month of May.

There are a number of ways you can complete the survey including QR code, following a link, signing up for Neighbourhood Link or speaking to an officer and asking them to complete this on your behalf.

We appreciate how busy our communities are, the survey takes less than two minutes to complete and will help shape policing moving forward in West Leicester and the wider Leicester, Leicestershire and Rutland Policing area.

Please find below QR code and link to the survey and signup for Neighbourhood link. Thank you for your support in this matter.

Regards
